Bishop Key of Georgia preached twice yesterday at the Fifth Street Methodist church to large congregations. Both sermons were intellectual and spiritual treats. Bishop Key discourses with all the earnestness of the early follower of Wesley and with the logic of Spurgeon. It has been and is still the great desire of the Methodists of Texas to induce Bishop Key to make his home in this state and in this they are heartily endorsed by the press.

EDUCATIONAL.
The McLennan County Teachers Association—Quarterly Session.
The regular quarterly session of the McLennan county teachers association was held at Eddy Friday and Saturday. There were three entertainments, Friday night, Saturday morning and night. Dr. F. W. Burger, superintendent of county schools, was present and says that he has never seen so much interest taken in educational matters as was manifested. The meetings were held in the Eddy high school building and were presided over by President Smith of Bruceville, while careful records of the events were written by the charming secretary, Miss Hattie King, of Waco. The programme as previously arranged was carried out and greatly enjoyed. Dr. Burger says that the importance of these meetings cannot be overestimated and he is delighted to see such a general interest taken in the work of the association by the teachers of the county schools. The next session of the association will be held at McGregor on the second Friday in January.
